SECURITY GATE ENTRY STICKER & POOL FACILITIES KEYFOB

The Homeowners Association uses an entry sticker which is placed on your vehicles windshield that is scanned and allows the resident entry onto the property as well as keyfobs which allow access to the pool and exercise facilities.

Payment for the stickers can be made by check or can be billed to your homeowner dues at the end of each month. NO Cash can be accepted by the staff. The cost of the entry stickers and keyfobs are listed below. Only 2 keyfobs per lot.

Please bring your vehicle to Security for any troubles you experience with the gate access Stickers. Do not remove or tamper with the gate access stickers yourself. Any damage to the sticker will result in the homeowner paying a replacement fee of \$25.00. If the sticker is damaged by Security personnel during transfer to the new vehicle, Security will replace it free of charge to the homeowner.
